## REAL WORK. REAL SALARY

This is not an internship. Real projects, a real team, and a real salary is waiting for you!

## WHO CAN APPLY?

We encourage anyone interested in JAVA or .NET to apply, regardless of their age, education, or career background.

Our aim is to find tech-savvy team players with a positive mindset and then teach them all the skills necessary for the role.

We see experience in other fields as an asset, not a hindrance!
